

X-BANNER

Nutzformat: 535 x 1700 mm

Endformat/Rohformat:

635 x 1800 mm

The diagram shows a vertical rectangle representing an X-banner. A red dashed line indicates the 'Nutzformat' (usable area), which is narrower than the overall 'Endformat' (finished size). A red double-headed arrow spans the width of the dashed line, with a red rounded rectangle labeled 'NUTZFORMAT' in the center. A black double-headed arrow spans the full width of the rectangle, with a black rounded rectangle labeled 'ENDFORMAT' on the left and a blue rounded rectangle labeled 'ROHFORMAT' on the right.
